WELCOME!

On behalf of the Board of Directors and staff of Sonrisas Dental Health, I have some exciting news to share! Sonrisas Dental Health's (SDH) annual Visions of Valencia fundraiser will take place on Saturday, September 16th, 2023. Plan to enjoy a festive evening that celebrates your partnership with SDH, including a live auction and a fund-a-need to support Sonrisas' mission.

Guest chefs will cook exquisite, authentic paella on-site while you enjoy signature sangria and curated Spanish wines amid twinkling lights and decor. The gala returns to the Half Moon Bay Public Library courtyard with all mandated COVID prevention measures in place as directed by San Mateo County.

We seek sponsors to make this event a driving support for our organization and the families we serve. We will share compelling stories about the important services SDH provides in our community as a non-profit dental center dedicated to providing access to quality dental care and oral health education with dignity, respect, and compassion. This year's event will be very special as we honor Cheryl Fama, a community hero who has made dental care more accessible for under-resourced community members. We are elated to bring our community together for this signature event.

I have attached a sponsorship packet outlining the incredible benefits for your organization, and the sponsorship commitment form for your review. All sponsors will be listed on our website, highlighted on our social media channels, and featured in the event materials. As of August 1, 2023, no more seats or tables are available; however, there are additional sponsor benefits in lieu of attendance including larger ads, and potentially greater tax deductibility. We expect 150 participants from households with spending power and decision making capacity, who are all potential clients of your organization or business. With your support, we hope to raise over \$130,000 to provide dental care to low-income patients in our community.

In Partnership,

Tracey Carrillo Fecher
CEO
