

The Impact of Your Gift

Sonrisas Dental Health provides approximately 11,000 dental visits each year (70% serve low-income patients), and in typical years screens 1000+ children at low-income schools. Patient care revenue represents 50% of our revenue; Our funding partners and generous donors contribute the remaining \$1.5 million needed to provide dental care for low-income patients through our Access to Care and School Screenings programs.

Gift Amount: \$75

Provide 25 children with oral health kits.

Gift Amount: \$100

Help provide dental care where most needed.

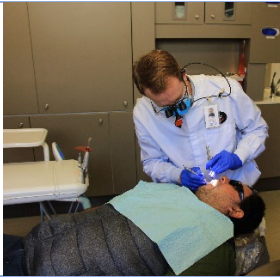

Gift Amount: \$265

Provide one child with a life-changing first dental visit.

Gift Amount: \$500

Contribute to Sonrisas' drive-through dental screenings for kids during COVID!

Gift Amount: \$700

Provide a dental home for one patient for a year

Gift Amount: \$1,400

Provide a dental home for two patients for a year!

Gift Amount: \$3,000

Provide a drive-through oral health screening for up to 40 children during COVID.

Gift Amount: \$4,000

Your generous Adopt-a-Family gift will provide a dental home for a family of up to four for one year. Many patients have rarely or never seen the dentist before coming to Sonrisas and need extensive treatment to restore their oral health and relieve pain.

Donor's Choice Amount

Your gift in any amount provides critical access to dental care!
